West Hartford, CT 06107

The Miracle League Journey

The Miracle League of CT is all about removing barriers that prevent children and young adults with special needs from participating in recreational, cultural, and educational activities that their typically developing peers do. With your support, you can help us to achieve our goal.

The journey began in 2012 with the construction of New England's first fully accessible baseball field and a baseball league for 30 children. What followed is nothing short of a Miracle. We sought out other opportunities for the children and families that we serve. Over the years, we've added adaptive swim, and dance programs, a learn to bike ride program, and more recently, our family bumper bowling league and a LEGO® based program called Brick Club.

The Miracle League now offers year-round programs and events that impact thousands of young people and their families. Beyond the fun and sense of belonging that each activity provides, our friends are learning new things with each new opportunity. Social, communication, and life skills are impacted. Confidence gained by conquering something like riding a bike or hitting a home run often translates into amazing accomplishments in other endeavors.

We hope that you will be able to join us on September 16, 2025 for our Annual Golf Classic. Your participation will help us to support our belief that *"Every Child Deserves a Chance to Play"*.
